Lund Town Council  
Minutes of Meeting  
July 10 2018

**DRAFT**

The meeting was brought to order by Vice Chairman, Ann Hamilton at 6:20pm.

As part of public comment, Ann suggested that the council think of grounds improvements that could be done around the Lund Community Building as part of Town Council and with the community. One suggestion was to plant more trees around the perimeter.

Lee Ringueberg made a motion to approve the June 12, 2018 minutes of that meeting as read, Lance Matheson seconded the motion and all board members approved.

Ann made a motion to approve the one voucher for secretary's wages be approved for payment, Lee seconded that motion and all members approved.

Lee reported that she has notified Mt. Wheeler Power on a couple of street lights that need repair, but the majority is working correctly.

There was no updates or information concerning the road conditions or improvements.

As part of public comment, the board discussed the upcoming events for the Lund area and community. The Lund Pioneer Days are July 20 & 21, Lee reported that the building will be used continuously that weekend for the events that are scheduled. There are several family reunions that will take place on the grounds and use of the building for the month of July 2018, she is working hard to see that everyone has what they need and their use of Lund Community Building. The board asked that Kerrick Ivins be notified on the building use for the Pioneer days and also that the chairs will not be available from the Community Bldg as they are being used for the reunions and other reservations.

Lee made a motion to adjourn this meeting, Lance seconded that motion and all members approved.

The next regular meeting will be August 14, 2018 6pm @ Lund Community Bldg.
